S/v Philea features 1 stateroom and 15 luxuriously appointed, outward-facing suites with wide panoramic windows overlooking the beautiful landscape.

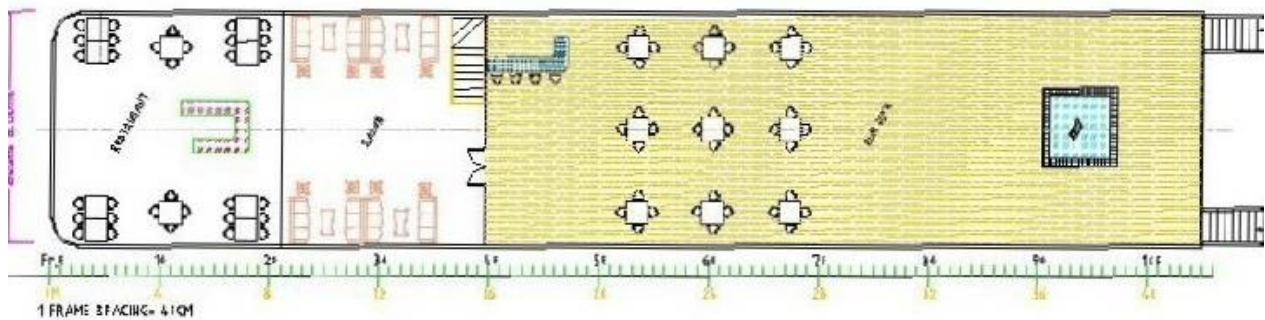

Everything on *S/v Philea* is handmade, down to every plate and carpet. You will feel the Egyptian spirit in every corner.

Deck Plan:

Our Dahabiya "**S/v Philea**" is based on the design of an original Dahabiya from the late 18th century. On the upper deck there is a spacious lounge and dining area. The cozy salon has a small library with books about the Nile and Egypt. With its comfortable sofas, it is the perfect place to end the day. Share stories and experiences, read a book or play a game of backgammon while enjoying an Egyptian coffee or a glass of wine. The centerpiece of this traditional double-masted sailing vessel is the partly shaded sun deck. It's the perfect place to stretch out comfortably in a deck chair and watch the scenery glide by. Light from antique lamps and chandeliers shimmers onto the wooden sundeck, while beautifully embroidered cushions, a hammock, sofas and deck chairs are scattered on either side. The shaded sundeck is a great place to relax under the billowing white sails. As you cruise along the Nile, something beautiful keeps catching your eye.

Below the middle deck is the living area with ten suites and one cabin.

Additional facilities:

- Sun deck (190 m²) with tables, chairs and passeroles in a shaded area and a sunny area, serving more than the total number of clients accommodated on Elephantine.
